Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

The following relates to the non-English language documents:

1. EP 0 595 683 - An abstract of the disclosure of this document can be found in the English language Derwent Abstract submitted herewith.
2. JP 3-261707 - An abstract of the disclosure of this document can be found in the English language abstract submitted herewith.
3. F. Battioni, "Dalle emulsioni A/O alle emulsioni A/S e viceversa", Il Prodotto Chimico, Vol. 28, No. 3, 1987, pp. 32-34 - This document is cited in the International Search Report submitted herewith.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the U.S. Patent Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application. If

there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,
